Our History

A New Beginning Ministry was incorporated in 2010 as a nonprofit charitable corporation. It is overseen by a board of Directors.

The Ministry's target audience is formerly incarcerated individuals. The Ministry will assist these individuals with finding employment, housing, clothing, food, or other needs required to reintegrate back into society after being incarcerated.

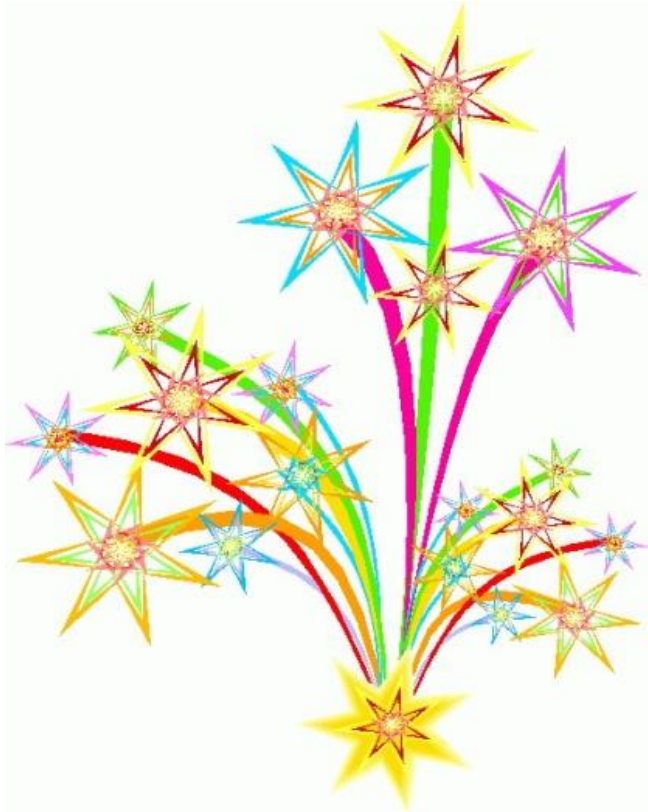

The Ministry is looking forward to our Lord and Savior Jesus Christ to guide us on this journey because to Him every soul matters.

Many formerly incarcerated individuals return to prison because they do not have the love and support they need once they are released. A New Beginning Ministry's mission is to share the love of Jesus to these individuals by loving them and assisting them with some of the necessities that they need to start "A New Beginning."

The Ministry is looking forward to seeing how Jesus will use us to make a difference in the many lives He will send our way.
